

## Insurance conditions

We would remind you that the company LEMOINE PERIGNON, has taken out an insurance policy covering the transportation of the following goods : (the list of spare parts you will dispatch to the stock point)

.....  
 .....  
 .....

Within the framework of our duty of information and advice, we hereby give you the particular provisions as well as a copy of the general conditions applied within the framework of your cover

A detailed, figured inventory of the goods must be communicated before transport operations commence.

### Territory

The goods are covered and insured from leaving Roissy, France until returned to Roissy, France. The non EEC countries crossed are Morocco and Mauritania as far as Atar.

### Methods of transport

#### ◆ Overland Transport.

Partly by sea on RO/RO ferry from Portugal to Morocco.

### Packing

Goods travelling unpacked and in cases except for tyres and wheels which are unpacked.

### Insured limit

The maximum insured limit per shipment and per lorry is € 500,000.

### Period of risk

Regardless of the means of transport used, cover:

- ◆ commences immediately the goods leave the floor of the shipper's warehouses during lifting operations to be placed on the carrier's lorry,
- ◆ continues uninterrupted throughout the insured journey including stopovers during normal transport,

- ◆ and terminates immediately the goods are placed on the floor of the recipient's warehouses during unloading operations from the carrier's lorry.

### Insured value

Value declared on your inventory.

### Insurance conditions

#### ORDINARY TRANSPORT RISKS

- ◆ **Conditions** : French policy for goods transported overland. (printed on 07 11 90, amended on 03 11 93.). Cover "ALL RISKS"

#### Particular exclusions:

- ◆ Rust and/or oxidation and/or scratches and/or grazes and/or dents,
- ◆ functional breakage of insured goods as well as disruption or disturbance of all goods containing one or more mechanical, electro-mechanical or electronic mechanisms, not due to a clearly recognised transport event,
- ◆ damage suffered by any kind of electrical or electronic apparatus due to electrical phenomena or a fire or explosion occurring inside those items,
- ◆ loss of data recorded on any magnetic media,
- ◆ partial theft unless characterised by violence, aggression, breaking into the lorry or semi-trailer, tearing of tarpaulin,
- ◆ unexplained disappearance or discrepancy in relation to the inventory.

- ◆ We would remind you that your goods are not covered for war and similar risks. If you require this type of cover, for an additional premium, please let us know.

### Claims settlement

For incidents occurring during transport operations, claims will be met on the basis of the insured value, without any excess. Except in the case of characterised partial theft in which case an excess of € 250 per claim and/or event will be levied within the framework of your compensation.
